Market-ace is pleased to announce that Jackpotjoy's Spanish sister site, Botemania, has joined our award-winning program, which means you can now promote to Spanish and UK traffic from the same convenient login. Botemania has had consistent success in Spain and continues to dominate thanks to innovative campaigns and strong branding. Bringing Botemania to Market-ace is a natural step, and marks a new and exciting phase for the brand. Plus, to celebrate, Market-ace is offering new Botemania affiliates a very generous extra 20% revenue share for two months from March! With offers like this, there's never been a better time to get into the Spanish bingo market.
