

Hello Bingo Lovers

Posted by MeccaRebecca - 2010/07/26 16:48

Hi everyone,

My name is Emma. I'm 28 and from the toon!

I've only just started playing bingo online. In fact its the first time I've played bingo (except for maybe during German classes at school - a way to teach us numbers). I'm enjoying it so far but have only come very close to winning anything.

Any tips are greatly appreciated!

Emma.
