Gala Bingo and galabingo.co.uk are both part of the Gala Coral Group, Europe's leading gaming operator, which employs over 17,000 employees.

Gala Bingo is the UK's Number 1 bingo operator with over 175 clubs and more than 5 million members. Every week we pay out up to an amazing £28 million pounds in bingo prizes.

We are constantly striving to give our members greater value - more prize money, more games and more excitement. Bringing alive a promise that it's 'the bingo that gets you buzzing', with each club dedicated to providing safe & friendly afternoon and evening entertainment.

Galabingo.co.uk is our great online 'club' which offers bingo, chat and other fun games 24 hours a day, 7 days a week. So when our clubs are closed you can still have fun winning with Gala online!
