\_\_\_\_\_

I'm Jackie, playing SRO. have two characters, get support from gkplayer. have only been playing for a month or so, but still manage to pvp and get in on the big fleet action. i'm in

a large corp and so there's always something to

do.

That works in the early stages but you quickly

get to a point where none of the skills you

want take less than a couple of days at best to

train.
